### RE-ELECTION OF DIRECTORS

Pursuant to Bye-law 112(A) of the Company's Bye-laws, every Director shall retire from office no later than the third annual general meeting after he was last elected or re-elected. Therefore, the term of appointment of each Director is effectively 3 years. Bye-law 112(B) also provides that, at each annual general meeting, if the number of Directors retiring under Bye-law 112(A) is less than one-third (or the number nearest to but not greater than one-third if the total number of Directors is not three or a multiple of three) of the Directors for the time being, then additional Directors shall retire from office by rotation to make up the shortfall.

Accordingly, Mr. Wong Chung Mat, Ben, Mr. Hung Wing Shun, Edmund and Dr. Yu Sun Say shall retire from office at the AGM and being eligible, offer themselves for re-election.

Re-election of Directors is proposed on merit and the retiring Directors are considered by the Board against objective criteria adopted, having due regard to the current needs of the Board.

Dr. Yu Sun Say has served on the Board as Independent Non-executive Director for more than 9 years. The Board has received from Dr. Yu the annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules. The Nomination Committee of the Company considers Dr. Yu independent in character and judgement and also considers that he possesses the integrity to continuously fulfill his role as Independent Non-executive Director effectively. Diversity of the Board can be achieved through his professional experience, in particular his extensive knowledge and experience in the industrial sector. With Dr. Yu's valuable guidance and contribution made to the Company over the years, the Nomination Committee believes that his re-election at the AGM will be in the best interests of the Company and its Shareholders as a whole.

Information on the Directors who stand for re-election at the AGM is set out below. Save for such information, there is no information to be disclosed pursuant to any of the requirements of the provisions under Rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules nor are there other matters that need to be brought to the attention of the Shareholders in respect of their re-election.

### RESPONSIBILITY OF DIRECTORS

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### RECOMMENDATION

The Directors consider that the resolutions regarding re-election of Directors and the grant of general mandates to issue and repurchase Shares as set out respectively in the notice of the AGM are all in the best interests of the Company and its Shareholders. Accordingly, the Directors recommend Shareholders to vote in favour of such resolutions to be proposed at the AGM.

Yours faithfully,  
**WONG CHUNG MAT, BEN**  
*Chairman and Chief Executive Officer*

*This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules to be given to Shareholders to enable them to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate.*

**(A) EXERCISE OF THE REPURCHASE MANDATE**

Resolution 7 set out in the notice of the AGM will, if passed, give a general unconditional mandate to the Directors authorising the repurchase by the Company of up to 10% of the fully paid Shares in issue at the date of the AGM at any time from the passing of the resolution until the end of the Relevant Period as defined in Resolution 7.

Accordingly, exercise in full of the Repurchase Mandate (on the basis of 478,483,794 Shares in issue as at the Latest Practicable Date) would result in up to 47,848,379 Shares being repurchased by the Company during the Relevant Period. This is based on the assumptions that no further Shares will be issued or repurchased after the Latest Practicable Date up to the date of the AGM.

**(B) REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

**(C) FUNDING OF REPURCHASES**

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the laws of Bermuda and the Memorandum of Association and the Bye-laws of the Company. Repurchases may be funded from capital paid up on the purchased securities, profits otherwise available for dividends or the proceeds of a new issue of shares made for the purpose. Such funds may include borrowings or other working capital sources.

If the Repurchase Mandate is exercised in full, there might be a material adverse effect on the working capital or gearing position of the Group as compared with the position disclosed in the audited consolidated financial statements as at 31 December 2021. However, the Directors have no intention to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or gearing levels of the Group which in the opinion of the Directors are from time to time appropriate for the Group unless the Directors determine that such repurchases are, taking into account of all relevant factors, in the best interests of the Group.

**(D) SHARE PRICES**

The Company has not repurchased any Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the Latest Practicable Date. The highest and lowest prices at which Shares of the Company have been traded on the Stock Exchange during each of the 12 months preceding the Latest Practicable Date were as follows:

|   | Share Price            |                       |
|---|------------------------|-----------------------|
|   | Highest<br><i>HK\$</i> | Lowest<br><i>HK\$</i> |
| <b>2021</b>                               |                        |                       |

**(E) GENERAL**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates currently intends to sell any Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they shall exercise the power of the Company pursuant to the Repurchase Mandate in accordance with the Listing Rules and the laws of Bermuda.

If as a result of a share repurchase by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could, depending on the level of increase in shareholding interest(s), obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Wong Chung Mat, Ben ("**Mr. Wong**"), personally and together with Salop Hong Kong Limited (a company wholly-owned and controlled by him), was beneficially interested in approximately 28.60% of the issued share capital of the Company. In the event that the Company exercises the Repurchase Mandate in full, the beneficial interest of Mr. Wong in the Company will be increased to approximately 31.77%. Accordingly, the exercise of the Repurchase Mandate, depending on the timing and the extent of the repurchases, may give rise to an obligation for Mr. Wong to make a mandatory offer under Rule 26 of the Takeovers Code. In the event that any exercise of the Repurchase Mandate would have such a consequence, the Directors do not currently expect that they would exercise the mandate to such an extent.

No core connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by Shareholders.
